

Rhode Island Hospital in Collaboration with Care New England presents:

**“Avoiding Adverse Drug Events in Seniors:
A Workshop to Improve Prescribing at Hospital Discharge”
Grand Rounds**

**Monday, September 30th, 2019 | 8:00 – 10:00 A.M.
Kent Hospital, Warwick, RI | Auditoriums A+B**

Elizabeth Goldberg, MD, SCM, FACEP

Associate Professor of Emergency Medicine & Health Services, Policy & Practice

Lynn McNicoll, MD, FRCPC, AGSF

Associate Professor of Medicine; Division of Geriatrics and Palliative Medicine

Camille Vaughan, MD, MS

Associate Professor in the Emory University Department of Medicine
Division of General Medicine and Geriatrics

Julio Defilló-Draiby, MD

Geriatric Consultant for Care New England Medical Group
Assistant Professor of Medicine
Alpert Medical School of Brown University

Target Audience: Emergency Medicine Physicians; Hospitalists; Advanced Practice Providers; Clinical Nurse Specialists; Social Workers; Case Managers

Objectives: At the conclusion of this session, participants should be able to:

- ❖ Develop individual strategies & system improvements to enhance patient safety through safe prescribing practices
- ❖ Identify errors & hazards in care by understanding best practices in prescribing to older adults (e.g. EQUIPPED - Enhancing Quality of Prescribing Practices for Older Adults Discharged from the Emergency Department)
- ❖ Acquire knowledge to avoid pitfalls in prescribing in commonly encountered clinical scenarios

Rhode Island Hospital is accredited by the Rhode Island Medical Society to provide continuing medical education for physicians.

Rhode Island Hospital designates this live activity for a maximum of *2.0 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity

This program qualifies for 2.0 hours CME Credit in Risk Management and Opioid Pain Management/ Chronic Pain Management, two of the required areas of section 6.0; 6.2.1 RI CME re-licensure requirements.

This training meets the requirements set forth in RI Regulation 3.14 Prescriber Training Requirement for Best Practices Regarding Opioid Prescribing. This specific training requirement is required only once & must be completed before renewal of controlled substance registration or two (2) years (whichever is longer).

Physician Assistants/Nurse Practitioners: Participants will receive a certificate of attendance which is accepted by the AAPA and AANP.

To request reasonable accommodation for a disability, please contact Samantha Irizarry at (401) 606-4761.
